## GrowerLive now supports Pay-By-Scan with all 3 Big Box retailers

### GrowerLive is put into action as Wal-Mart and Lowes adopt Pay-By-Scan.

May 2012

Tampa, FL: Innovative Technologies Group, Inc., a leading software development company, has recently announced that GrowerLive has been adapted to handle Pay-By-Scan for Lowes and Wal-Mart Garden Centers. GrowerLive was initially designed to handle Pay-By-Scan and VMI for The Home Depot. Both Wal-Mart and Lowes implemented Pay-By-Scan for Turf Sod earlier this year

Steve Johnson, VP of Sales, “Now we support all 3 Big Box garden centers in the south east. This opens our market to other growers who supply Lowes and Wal-Mart

**ABOUT GROWERLIVE:** GrowerLive is an ERP software service that is 100% web-based, making it an affordable and flexible tool. There is nothing to install or maintain—all that is needed is an Internet browser and connection. Subscriber’s data is stored on a secure server and backed up, reducing user maintenance to virtually nothing. Because GrowerLive is a subscription service with no time commitment required, there are no costly front-end fees, and subscribers can discontinue at any time.
